macao

### High seat, deep relaxation.

Standing is good, sitting high is better: at least at the high tables or at the bar, where the *macao* bar stool is at your service. Complementing the existing *macao* range, the barstool blends in perfectly with the overall picture of a recreation room furnished with *macao* chairs and tables. Just like the chair, the bar stool does without vivid colours, making a statement with its clear and flowing outlines in black anthracite and white. The only exception: the frame and foot support are alternatively available chromed. The *macao* bar stool also features a gas spring enabling comfortable seat height adjustment. *macao* – an entirely perfect bar stool for relaxed hours in a motivating ambience.

Design: neunzig° design

## Optional.

### Bar stool 2250

Seat shell polyurethane, frame metal  
(colours and surfaces acc. to below description)  
W 450 / D 450 / SH 730-800 / H 840-910

W= width / D = depth / SH = seat height / H = total height / Dimensions in mm

### Colours of the plastic seat shells:

97 black anthracite

96 white

### Design:

Seat shell polyurethane, either black anthracite or white. Precision tubular steel column Ø 42 mm, height-adjustable 730 - 800 mm through gas spring acc. to DIN 4550. Metal base, plastic glides. Footrest tubular steel or powder-coated. Metal surfaces either 37M anthracite or 9016 white powder-coated. Protective strip for footrest in stainless steel.

### Optional:

Column, base plate and footrest chromed. If chromed, the footrest comes without protective strip. Base plate with felt glides.
